

# Dual Credit Tuition Reimbursement Scholarship Application

*The Dual Credit Tuition Reimbursement Scholarship is designed to help the following high school students get started earning college credits: students who have financial need based upon low income eligibility or extenuating financial circumstances and/or first generation students whose parents did not graduate from college.*

*Students complete and submit the scholarship application in the fall for the ENTIRE YEAR of dual credit classes. Those students selected through the criteria above will be awarded a scholarship to offset tuition cost of dual credit classes. The scholarship does not pay for the entire cost of the class, but funds approximately 1/3 of the cost of the class. The maximum scholarship amount per student is \$600 per year.*

*The desire for both REF and RRT & SPA is to be able to fund all dual credit tuition reimbursement requests. If however, the total amount of requests exceeds the organizations' dual credit program budget, REF and RRT & SPA may not be able to grant all students' requests. Some students may be placed on a wait list.*
