

# Construction Technology

The Construction Technology Center of Excellence is for juniors and/or seniors who want to prepare for employment in the field of construction: structural (framing), finishing (interior and exterior), mechanical (plumbing and electrical), roofing and concrete finishing.

## What will I learn?

- Blueprint Reading
- Basic Concrete Finishing
- Proper Operation of Hand and Power Tools
- Operation of Heavy Equipment
- Structural Framing
- Electrical
- Plumbing
- Interior Finishing
- Roofing
- OSHA training

## Employment Opportunities:

According to O\*Net Online, the job outlook for the Construction Carpenters field should grow 5 to 9% by 2026. The 2017 average national pay was an annual salary of \$45,170. The job outlook for Construction Managers shows a field growth of 10 to 14% by 2026 with a 2017 average national pay of \$91,370.

## Certifications and College Credit:

An agreement with the Carpenters Apprenticeship Program enables students, who meet specified requirements, to receive apprenticeship hours for skills learned at HCC. Articulated college credit up to 12 hours is also available.
