Owner Purchased Material List for - Base Bid 1
Raytown Administration Building

The following material list is to be included in the bid form and signed/dated by the Contractor. Failure to provide this information will render your bid unresponsive. The owner is purchasing the following list of material from Education Plus through a pre-competited national cooperative purchasing organization. Only these materials, in the quantities listed, will be supplied.

The Contractor is responsible for purchasing any additional material directly from the roofing material manufacturer at the contractor’s cost. The contractor is also responsible for ALL other items not on this list necessary for the completion of work specified. This includes, but is not limited to, fasteners, wood components, insulation cant and taper edge, gravel, sheet metal, warranty charges, inspections, and other consumable materials.

The unloading of material and the storage of said material in a secure area is the sole responsibility of the contractor. Any unused material will become the property of the contractor at the completion of the project.

END OF DOCUMENT 00411
ADDENDUM I

Raytown Quality Schools - USD #2

2018 Administration Building - Roof Replacement Project

November 14, 2018

I. General Information
   A. Submit the attached Revised Bid Proposal Form.
      a. New bid form includes three (3) Attachment A forms for two (2) -Base Bids and one (1) -Alternate Bid.
      b. New bid form includes a separate line item for number of work day needed to complete work as specified.
   B. Do not include the roofing materials listed on the Attachment A Forms in your Base or Alternate Bids. The District will purchase this material directly through the state co-operative purchasing group.

II. Raytown Administration Building
   A. Include in base bid pricing to remove and dispose of two antennas.
   B. Base Bid #1 will require a primed gypsum coverboard board.
   C. Add Base Bid #2 pricing based on the following:
      a. Same scope of work as Base Bid #1; Except:
         i. No primed gypsum cover board required.
         ii. Install heat induction welded 60-mil TPO system in place of a fully adhered system.
             1. Follow roofing material manufacturers installation requirements.
                a. Manufacturers recommended induction welding equipment must be used to receive a warranty.
