A formal opening will take place at this time. Attendance is NOT required.

PRE BID MEETING – A pre-bid meeting will take place on June 1, 2018 at 8:30 a.m. Attendance is not required, but recommended. Bid documents will be provided at this time.

Overview:

The Raytown C-2 School District is requesting a proposal and a statement of qualifications from qualified licensed companies to:

- Remove and dispose of existing fencing at all locations,
- Install new fencing and gates according to specifications,

The proposal should be all inclusive of prevailing wage labor, materials, disposal of all materials, transportation, equipment, and accessories required to perform the work.

Proposal Due Date and Time:

In order to be considered, 2 sealed copies of the proposal must be received by the Director of Facility Operations at the address stated below by personal delivery or by U.S. Mail by the following date and time:

June 1, 2018 – 8:30 a.m.

District Terms:

Proposals will be date and time stamped upon receipt by the Raytown C-2 School District and will become property of the District.

The District reserves the right to waive minor technical defects in a bid, reject any and all bids, reject any part of a bid, advertise for new bids, or make the purchase on the open market if the product or service can be obtained at a better price.
The District reserves the right to design the evaluation criteria to be used in selecting the best bid.

The District reserves the right to provide the final contract for mutual consideration and agreement.

Should any differences arise as to the meaning or intent of the specifications, the District’s decision shall be final and conclusive.

If the scope of the purchase changes substantially, the district will rebid the product or service unless otherwise provided in this procedure.

The District reserves the right to reduce or increase numbers of items or services for the original request for bid/proposal/quote.

Any bid may be withdrawn prior to the scheduled time for the opening of bids. Any bid received after the time and date specified shall not be considered.

Any bid that is withdrawn will sacrifice their Bid Bond and/or Cashiers Check for the full amount of the Bid Bond per requirements.

Federal and State laws, Local ordinances and Board policies apply to contracted services. No portion of any master service agreement or contract may defy these laws, ordinances, and policies. Any such portion of a master service agreement or contract that does defy these laws, ordinances, and policies will be considered null and void.

**Payment and Retainage:**

The District is exempt from sales tax and use taxes. Taxes shall not be listed in a bid/proposal/quote or on invoices. A copy of the letter exempting the District from paying these taxes is available from the District upon request by the contractor/vendor.

A payment schedule shall be decided on with the chosen contractor/vendor. Said schedule shall be part of the contract between the contractor/vendor and District.

There shall be no hidden costs associated with this bid/proposal/quote. If the contractor/vendor foresees any additional or unexpected costs or charges to be made, these charges need to be explained in the bid/proposal/quote.

Purchasing and payments shall be in accordance with Board policy DFJ as outlined in administrative procedure DFF-AP1. This procedure can be found on the District website.
District Contact:

Interested, qualified firm and persons are invited to submit proposals to the following contact person and address:

James Morrill/Josh Hustad
Director of Facility Operations
Raytown Quality Schools
5911 Blue Ridge Blvd.
Raytown, MO 64133
816-268-7160

Selection Process and Minimum Requirements:

Each company must meet the following minimum qualifications (company may use sub-contractors to fulfill any obligations within its contract, but the sub-contractors must be approved by the district).

Firm shall conform to the requirements listed in this request.

The selected firm shall have the responsibility to ensure that the products and services that are delivered to the District match the request and the specifications listed.

The firm shall have responsibility for any damage incurred during transit.

The selected firm shall not increase pricing after submitting their bid.

Notice that the contractor must follow all provisions of the prevailing wage law and pay at least the prevailing wage law and pay at least the prevailing hourly rate of wages, as set out in the wage order, to all workers performing work under the contract. Contractors who do not comply with the law will forfeit a penalty to the district of $100 per calendar day (or portion of a day) for each worker who is paid less than the prevailing rate for any work done under the contract by the contractor or by any subcontractor. Contractors and subcontractors will be required to complete an affidavit of compliance prior to final payment.

All contractor employees must have had a successful background check performed. The Contractor is to supply the school district with a list of these employees. If the contractor hires an employee during the project or after they have been awarded the contract they are to give the school district an updated list of employees once the new employee(s) have successfully passed a background check.

All Contractors and subcontractors must provide on-site workers a ten-hour program in construction safety and health approved by the Occupational Safety and Health Administration (OSHA) or a similar program approved by the Missouri Department of Labor
and Industrial Relations (DOLIR) that is at least as stringent as OSHA program or have
documentation that the workers have previously completed the required program. Bid
specifications will also include notice that failure to comply with the law will result in a
penalty in the amount of $2500 plus $100 per employee for each calendar day the employee is
employed without the required training.

Notice that all bidders for contracts that may exceed $5000 must provide a sworn affidavit and
supporting documentation that affirms the bidder’s participation in a federal work authorization
program as well as an affidavit that the bidder does not knowing employ any person who is an
unauthorized alien who will be working on the project bid. A contractor is only required to
provide the affidavits to the district on an annual basis.

Notice that “transient employers” as defined in 285.230.RSMo., must file a financial assurance
instrument with the director of revenue and provide proof of compliance to the district before
work begins, or otherwise provide financial security to the district as required by law. Once
work begins, a transient employer must position a prominent and easily accessible place at
the worksite a clearly legible copy of:

- The notice of registration for employer withholding issued to the transient employer
  by the director of revenue.

- Proof coverage for workers compensation insurance or self-insurance signed by the
  transient employer and verified by the Department of Revenue through the records of
  the Division of Workers Compensation.

- The notice of registration for unemployment security.

Bid Specifications will also state that any transient employer failing to comply with these
requirements will be liable for penalty of $500 per day of until the notice required by this
section are posted as required by statute. Contractors utilizing transient employers as
subcontractors are required to ensure that the subcontractors are complying with state
statute.

Contractors and subcontractors are required to report to the district the date and amount of
any wage subsidy, bid supplement or rebate for employment on a public works project
received within 30 calendar days of receipt of payment, as required by state law. Such
subsidies, supplements or rebates are prohibited if they reduce the wage rate below the
prevailing wage rate. Contractors and subcontractors who do not comply will owe the district
a penalty as required by law.

When applicable due to excessive unemployment in the state, notice that contractors may only
utilize Missouri laborers and laborers from nonrestrictive states, unless such laborers are not
available or are incapable of performing the work involved, as certified by the contractor.
Nonrestrictive states are those states that have not passed laws restricting Missouri laborers from working on public projects in their states.

Firm must be licensed with the necessary legal entities such as the State of Missouri and the City of Raytown to perform the above mentioned services.

Firm must acquire all necessary authorizations from the City and State to perform the work noted above.

This includes:

Business license from the City of Raytown

Firm must perform the work within the legal guidelines and building codes for the City of Raytown and/or Kansas City and the State of Missouri.

This includes:

Missouri DNR rules and regulations
